REV. HAROLD TUCKER, PASTOR

July 27, 2009

Dear Church Member:

Please note - the date for our 38th annual Winslow Congregational Church Blueberry Festival must be changed this year to Saturday, August 15, 2009! This change is necessary due to the fact that blueberries will not be ripe in time for having the festival before the 15th.

As we all know, the success of the festival requires that all members contribute and work together for its continued success. The funds raised by the festival are a significant contribution to our annual operations budget for our church. As we continue to prepare for the event, there are many ways that you can be part of this success. People are needed with preparation before and on the day of the festival.

There is still a need for dough rollers for the blueberry pie baking that will be done at the Winslow Junior High on August 14th. Volunteers are needed to help man booths for the Baked Goods, Raffles and other booths that will be stationed under the big tent on the day of the festival. Large 6-pound cans of Crisco are still needed to bake the blueberry pies.

Many volunteers are needed to visit a few businesses each to collect items for the Silent Auction. A list of the businesses that received a letter from the BBF Committee asking for a donation will be posted in the Fellowship Hall at church. This is in addition to a poster that is available to list any personal donations that you may be able to make to the Silent Auction. If you feel that you can help with this task, please sign up. Copies of a Letter of Introduction will be available near the poster this Sunday for you to take with you to a business.

Enclosed is a new poster with the new date. If you have already put up posters, please replace those with the new poster. Extras will be available at church so feel free to pick up additional copies to post in new places.

The BBF Committee thanks each one of you for your continued contributions to this annual event. You are what makes our church so special.
